Negative/Negative

Land at Meadow Lane 5	Yes. Possible with proper access provision	It is a shame – but seems to be within the village to limit impact	○
	Yes. Central location	Traffic burden on minor roads	
	Yes. Seems to slot in without impacting too much on the village	I think we are losing too many green spaces, woods and countryside to walk in. Also we must think to preserve prime agricultural land instead of building on it!	
	Yes. Within village	Norton Rd too narrow for access	
	Yes. Slots in village Not too large Easy access	Natural beautiful views too precious to lose	
	Interesting position; not sure about access?		
	Good position close to centre. Yes		
	Yes. Good position especially for schools		
	Yes. Easy access to village		
	Yes. Good size; good position. No real negatives		
	Yes. As close to built up area already. Important to retain open spaces		
	Yes. A good site for housing and green space. Reasonable road access and still close to village centre		
	Suitable for development		
	Keeps development in close proximity to village facilities		
	Agree, as this site is a natural infill.		

	Ok for development as has least impact on village
