Principal aims and objectives:

Provision of recreational facilities for the village of Thurston including a pavilion and open space

DETAILS OF GRANT REQUESTED

Explain your need for a grant with the likely number of beneficiaries, their age profiles and their location

Due to the closure of the primary school and the loss of their contribution to the management of the open space the Recreation Ground Trust now has to bear the full costs of grass cutting and maintenance. The open space at the recreation ground is fully accessible to all at all times and there is no charge for its use and therefore no generation of income to cover maintenance costs.

The Trust are looking for financial help on an ongoing annual basis to keep the open space maintained for the benefit of all.

Grant requested: £1450.00 per annum.
