

Expenditure to be approved - Agenda Item 10 a)

Paper 1 – 11.01.23

The integrity of the Council's finances is to be protected by two of the four signatories checking and reviewing the invoices for payment for which they will have seen an original scanned copy in a shared file. The automated banking system is the Council's preferred method of settling its finances.

Within the Council's Financial Regulations (4.1) - expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget or where prior approval has been given for such expenditure to be incurred e.g. under contractual agreements.

Such authority is to be evidenced by a Minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman. Invoices will only be processed for payment by the Parish Clerk once she is satisfied that the payment sums match the invoices produced.
