

# Thurston Parish Council 3 Year Business Plan

**May 2021 – May 2024**

## **Vision:**

Thurston Parish Council aims to provide a positive and reliable organisation to meet the needs of the parish through its commitment, its awareness of the needs of the parish and active communications within and for the parish.

It seeks to promote, maintain and improve a good quality of life by using the keen knowledge of the needs of groups and individuals within the parish and by making efficient and positive use of its income. It will also strive to be pro-active in the introduction of measures that will enable the community as a whole to live healthily and safely together.

## **What is Thurston Parish Council?**

Thurston Parish Council is the first tier of local government closest to the community, with an important role to play in promoting the parish by representing its interests. Within its limited remit, it provides and monitors efficient services and amenities to meet local need, influences other decision makers and strives to improve the quality of parish life. The council represents the views of its community to improve or provide cost effective services and amenities. These can range from crime prevention measures, providing litter and dog bins, maintaining bus shelters and recreational facilities, to having the right to be notified of, and comment upon, planning applications.

Residents have the opportunity to elect 11 parish councillors every four years. The Council elects a Chairman and Vice-Chairman annually in May. Councillors are unpaid and receive no allowance for their duties other than travel costs for duties beyond the parish. Details of all councillors can be found at the following website page: <http://thurston.suffolk.cloud/parish-council/>

## **How the Parish Council operates.**

The Parish Council will carry out its statutory duties as required by:

- Meeting 12 times per annum to deal with the business of the Council and running these meetings within the Standing Orders of the Council. *One of these meetings will be the Annual Council Meeting of the Parish Council at which the Chairman for the coming year will be elected.* All full Council meetings are open to the public with a period set aside for members of the public to address the Council. The meetings take place in Thurston Community Library to allow good access and adequate meeting space.
- The Council has its own Standing Orders and Financial Regulations, which lay down the rules by which it operates and conducts its business. Council's Standing Orders are based on a model prepared by the National Association of Local Councils (NALC).
- All Parish Councillors are expected to adhere to the Suffolk Code of Conduct which has also been adopted by the Council's Committees. Working Groups on which the Parish Council are represented are expected to work to terms of reference agreed in Council.
- The Council will facilitate the holding of an Annual Parish Meeting between 1<sup>st</sup> March and 1<sup>st</sup> June each year to review the activities of the previous year and give an opportunity for residents to raise issues of concern. If in attendance, the Chair of the Parish Council will preside over the meeting.
- The Parish Council aims to promote the economic, social and environmental wellbeing of the Parish and to contribute to a sustainable and inclusive community.
- Having been the 1<sup>st</sup> Parish/Town Council in Suffolk to achieve Quality Status, the Parish Council also will work towards further development of the Council under the concept of the Local Council Awards Scheme and to achieve appropriate awards for the benefit of the Parish of Thurston.

## **Business Plan Objectives**

**Parish benefit:** – to represent Thurston Parish and to improve the facilities and infrastructure for the parishioners within Thurston. This will be achieved by being a professional and competent Parish Council, which is open and accountable and ensures sound financial management of Parish Council resources.

**Village administration:** – to ensure the ongoing administration of Thurston Parish and the facilitation of the Parish Council's activities. Be a good and fair employer by providing fulfilling work opportunities and conditions for staff. Continue to seek and improve established channels of communication and find new ways of engaging and communicating with the residents of Thurston.

**Council development:** – to provide the Chair, Vice-Chair, Councillors, the Parish Clerk and Deputy Clerk with the education and knowledge to enable them to contribute to the advancement and improvement of Thurston Parish. To ensure Councillors have the opportunity to keep abreast of new opportunities and policies. To improve Council services to the public by encouraging members and staff to develop their skills through appropriate training.

**Financial planning and control:** – to ensure the ongoing financial viability of Thurston Parish Council and provide high quality, efficient, cost effective and sustainable services. To ensure the Financial Budget is monitored on a regular basis to ensure any anomalies are highlighted to the Parish Council for appropriate action. A financial report will be presented to the full Council each month at its meeting.

**Strategic planning/Key projects:** – to ensure Thurston Parish Council has a long-range plan for the future the following objectives will be included in the Parish Councils 3-year Business Plan.

- Ensure continued communication with County and District Councils to agree areas for devolved powers to the Parish Council to include: Road Verge & Hedgerow maintenance Weed control on pavements; edge maintenance or skirting of carriageway; cleaning of traffic signs and bollards.
- Work with County and District Councils to ensure the maintenance of widely used but increasingly inaccessible Public Footpaths.
- Improvement of Communication and engagement by the Parish Council, by introducing social media streams such as Facebook with a further presence on local media platforms. This, along with the introduction of further noticeboards sited around the village will provide a more professional and inclusive approach by Thurston Parish Council to the community of Thurston.
- To continue to address concerns by residents on speeding and to continue to monitor the data from the Vehicle Activated Signs (VAS) that are situated on Barton Road and Beyton Road. Having the two machines, will enable the Parish Council to continually monitor both sites without having to transport the machine from one location to another.
- Share the data provided by the VAS machine, with Suffolk Highways and Suffolk Constabulary.
- With the introduction of new 30mph speed limits on Ixworth Road, Norton Road and an extension to that on Church Road, the Parish Council will also monitor these roads to ensure speed limits are adhered to.
- Investigate what steps can be taken to provide further traffic calming measures in appropriate areas.
- Monitor the Parish Infrastructure Investment Plan (PIIP) to allow appropriate infrastructure to be provided within the village once the funding stream under the Community Infrastructure Levy (CIL) becomes available.
- Ensure that the PIIP is reviewed on a regular basis to ensure compliance with the CIL regulations and is of relevance to the parish.
- Ensure that the Community Infrastructure Levy (CIL) income is spent on projects that have been identified as providing, improving, replacing, operating or maintaining infrastructure that supports the development of the Parish Council's area or anything else concerned with addressing the demands that development places on the area. Input to the discussions regarding infrastructure required within the village will also be received from Council's Committees.

**Communication and Engagement:** – To provide a channel of communication for the views and expressions of the local community and to be responsive to its needs and aspirations. The Parish Council will ensure that the Parish Clerk and Deputy Clerk receive the relevant training on Desktop Publisher and social media. This will ensure the communication/engagement to residents is improved, whilst providing reports on the Parish Council and Neighbourhood Plan in a professional manner.

### **Thurston Parish Council Committees and Groups**

**The Recreation Facilities Committee:** Thurston Parish Council is the sole trustee of the Thurston Recreation Ground Charity. The Recreation Facilities Committee has been established to formally manage and operate the Recreation Ground and the Pavilion and to maintain the parking area. The Committee will also oversee and improve those sports and recreational facilities within the parish under the remit of the Parish Council.

**The Policy & Resources Committee:** has been established to propose the budget each year and to monitor the routine expenditure and investments. Also, this Committee has delegated powers for managing, maintaining and improving the performance of the statutory powers and the functions and related work of the Parish Council which includes, ensuring the Quality Council certification requirements is of a satisfactory standard and for ensuring the Parish Council acts in a manner appropriate to this certification.

**The Emergency Plan Committee:** This group is responsible for ensuring the Thurston Emergency Plan is maintained and relevant on a yearly basis.

**The Planning Committee:** The Parish Council is a statutory consultee in the Mid Suffolk Planning process. All planning applications within the Parish of Thurston are examined and commented on by this group on behalf of Thurston Parish Council. The Planning committee has been granted full-delegated powers to make Council decision regarding responses to the appropriate authorities. The Committee will also oversee the work of the Neighbourhood Plan Working Group for policy compliance with the Thurston Neighbourhood Development Plan and will monitor reasons for departing from policies, the effectiveness of the Neighbourhood Development Plan as well as matters not addressed by policy.

**The Friends of Thurston Library Committee:** Was established following the announcement by Suffolk County Council that it was not going to run the library service in the future. The function of the Friends of Thurston Library Group is to facilitate the ongoing provision of a library service for Thurston and provide support for improvements to the Library in order to encourage new and existing members into the Library.

**The Neighbourhood Plan Working Group (NPWG):** was formed as part of the Localism Bill where Parish Councils are encouraged to develop their own formal, legal plan for the future of their village. As part of this, once the Neighbourhood Plan has been adopted, there will be an on-going review protocol. This group, now that the Thurston Neighbourhood Development Plan has been adopted by the Local Planning Authority, has become an advisory group to the Planning Committee with a remit to review the plan ensuring that it is compliant at all times with national and local policies.

**The Climate Awareness and Environment Committee :** was formed as a direct response to the Parish Council taking steps to address the growing climate emergency and in recognition of the need to protect the environment. The Parish Council has adopted a Climate Awareness and Environmental Policy which commits the Parish Council to embedding green awareness in its policy and organisational development. Central to this is the need to raise awareness of the climate crisis within the community and to encourage groups to come together to take action in achieving the Suffolk County Council target of being carbon neutral by 2030.

Individual members of the Thurston Parish Council are also represented in the management of several village and County organisations. These include the Suffolk Association of Local Councils, The Cavendish Hall Management Committee; New Green Community Trust and Thurston Relief in Need Charity. Other Council members are responsible for single issues including public footpaths and trees and hedgerows.

**Appendix 3. Areas of Active Involvement for 2021 - 2022.**

This Business Plan is to be reviewed annually in July. The areas of active involvement will relate to the budget which is set in December of each year and finalised the following January. This will also include projected expenditure for the forthcoming year as well as regular items of expenditure to ensure the smooth running of the Parish Council. Some of the projects and matters coming forth have arisen from engagement during the development of the Thurston NDP; Parish Council meetings; Annual Parish Meeting and visits to the Parish Council Office.

The Parish Council will continue to monitor the areas of active involvement for 2021 - 2022 and will add any new matters as required during the year. As some of the areas covered in the Business Plan are ongoing and will cover more than one financial year, the Parish Council will review the Business Plan on a six-monthly basis thereby ensuring that it is updated regularly and that any further appropriate actions identified during the six-monthly period are included or, where appropriate, are signed off as having been completed actions.
