The General Power of Competence (GPC) was introduced by the Localism Act 2011 and took effect in February 2012.

At its Annual Parish Council Meeting of 8 May 2019 the Parish Council resolved that it fulfilled the eligibility criteria set by the Secretary of State (Localism Act 2011 s8) and that it was enabled to use the General Power of Competence (GPC)

The GPC enables councils to do things:

- an individual may generally do
- anywhere in the UK or elsewhere
- for a commercial purpose or otherwise, for a charge or without a charge
- without the need to demonstrate that it will benefit the authority, its area or persons resident or present in its area
