Agenda Item 12 – Provision of inclusive play equipment

We have recently had a couple of comments into the office regarding the lack of inclusive or accessible play equipment especially at New Green.

The following designs and costs have been sought for an inclusive roundabout and swing seat.

The roundabout would be separately installed, and the swing could be added to an existing frame.

Kompan – You and Me seat H2.5m encourages play and interaction between different generations. Includes easy to open frame and varied swing heights for eye to eye contact when swinging

Costs – £1041.60 + vat delivered

Kompan Wheelchair Carousel – Truly inclusive no matter what the ability. Attracts groups of children, very versatile. Needs an area of approx. 6m square.
