Agenda Item 10 – Provision of Benches

Consideration of the provision of new or replacement benches has taken place during your last couple of meetings – Suggestions for sites have included Heather Close, The Hambros and Genesta Drive

It has been suggested that a bench to be found at Woodland Close could be replaced? Note the plaque, which if the bench is replaced it is thought that this should be moved onto the new bench.

An article asking for suggestions of sites for new or replacement benches went into the Nov newsletter – We have received no responses to date.

There are various styles and types of benches on the market including examples below:

A cost effective traditional outdoor seat, perfectly designed for parks, seafronts or any outdoor public spaces. This heritage aluminium seat ends and durable slats, is corrosion resistant and offers minimal maintenance.

Free fixings and delivery* available with this product. No additional costs.**
