4. To consider the following as part of the Council's Year-End Process:
 - a) To review the Council's Financial Risk Assessment 2021-2022 – *Paper 2022/1* – the meeting reviewed the document and agreed that the risk level and associated comments with regards to Staff (work overload), Banking and CIL spend/income were appropriate. It was therefore agreed that the document was a true reflection of the financial risks facing the council and the manner in which they would be mitigated. It was understood that this was a live document and agreement was forthcoming to adopt the recommended amendments and with a review date of September 2022 to allow for the monitoring of training for staff members.
 - b) To review the Council's Risk Management Strategy 2021-2022 – *Paper 2022/2* – the meeting reviewed the Council's Risk Management Strategy for 2020-2021 and noted that amendments will be made to the document to reflect that this was a live document and that overall it provided an accurate assessment of the management of risks carried out by the Parish Council. The strategy would be updated to reflect an amendment to the reviews of the Financial Risk Assessment.
 - c) To review and agree the effectiveness of Internal Control – *Paper 2022/3* – the meeting reviewed the effectiveness of its internal control and agreed that the Internal Control Policy as proposed should be adopted with the amendment that it be reviewed after six months. It was felt that the document was an effective tool for Council to enable it to review its processes and to support the audit process.
 - d) To review the effectiveness and scope of Internal Audit – *Paper 2022/4* – the meeting reviewed the effectiveness of the internal audit carried out for the previous year and found that the proposed works to be carried out for the year 2021-2022 were comprehensive, adequate and appropriate. It was confirmed that the scope of the review covered independence, competence, relationships and audit planning and all agreed that the overall structure of the internal audit was satisfactory for a Council the size of Thurston. It was to be noted that once again given the increase in income and expenditure the council would be automatically subjected to an intermediary audit by the external auditors but that this would not impact on the internal audit process or scope that would still be required.
 - e) To confirm the recommendation of the appointment of the Council's Internal Auditor – the meeting was in full agreement, having reviewed the Internal Audit Terms of Reference and Internal Audit Plan supplied, to recommend to full Council the appointment of Mr T Brown, CPFA to carry out the internal audit for the year ending 31st March 2022.

 - i) To review and consider the terms of reference for the Recreational Facilities Committee and to agree to an amendment of the title to Recreational and Leisure Facilities Committee to accommodate additional responsibilities coming forth to the Parish Council – amendments as proposed were agreed along with the requirement for there to be six members. Given that further activities and facilities were still in the pipeline, it was agreed to set a review date for six months' time to allow the terms of reference to be amended and/or adapted to ensure that they were fit for purpose.
5. To consider matters coming forth from the Clerk
- a) Committee to note that a valid request as submitted under the FOIA is being dealt with by the Clerk – the meeting noted that the Clerk was dealing with the submitted request and that the outcome would be communicated to Council once the timescales had been adhered to.
 - b) To consider and approve the financial reimbursement to the Clerk of the holiday untaken during 2020-2021 & 2021-2022 – it was agreed that the proposal if accepted would clear the slate with regards to holiday owed from the Covid-19 lockdowns and that there would be no national impact hindering the ability for holidays to be taken in the current year moving forward. The meeting agreed that the request for the holiday to be funded in full at a maximum cost of £2,980.46 be so approved.
