Vacancy for Volunteer Detached Youth Worker

in Thurston Village

This is a new and really exciting opportunity to be involved in a project to work with young people aged between 11 and 18 (school year groups 7 - 13).

Detached Youth Work is working with young people in their own setting - so perhaps at the Youth Shelter on The Green in Thurston, or the coconut swing on The Green ... or anywhere else you can think of in the village that young people meet. Taking discussion to them and engaging them in conversation.

Volunteers make a massive difference to young people's lives, whether they are running an impromptu game of football, helping young people to be creative or having a chat, volunteers bring enthusiasm and passion to their work with young people.

Enthusiasm and a willingness to engage with young people is most important. Training will be provided.

The project will run 2 evenings per week for approx 3 hours. There is a possibility that it may include some weekends.

If you would like to have an informal conversation to discuss the job further please call
