

THURSTON PARISH COUNCIL

INTERNAL CONTROL - 2018

The Accounts & Audit (Amendment) (England) Regulations 2015 aims to strengthen governance and accountability through requirements related to internal control and internal audit.

Whilst the Parish Council has reviewed the effectiveness of the internal audit (independence, competence, proportionate and scope), it has a requirement levied on it to ensure that its financial management is adequate and effective and that it has a sound system of internal control:-

‘The regulations require active participation by members in providing positive assurance to the electors of their stewardship of public money. The framework of accountability is risk-based ie level of control and management must be appropriate to the risk involved. The Council must determine the most appropriate method of internal control.... care should be taken to ensure that internal control tests are proportionate and relevant and that they are neither seen as, nor intended as, undue interference in the RFO’s day to day management of financial affairs.’

As part of it’s internal control, the Parish Council has appointed a Councillor to conduct a review of the system of internal control via the following tests on a quarterly basis with a written report of any findings to be submitted to the Council and minuted as received.
